Community Speaking Events: Want to make a real impact? Help us reach people where they live, work, and play! Whether it's a neighborhood block party, a gathering at your home, or an event at your local business, we'd love to spread the word. Have an event idea? Let's team up! Email YESforOCSchools24@gmail.com!

Peer-to-peer Conversations: Got 10 minutes? Chat with friends and neighbors who may not have kids in school anymore. Take to your social media accounts and neighborhoods to share why voting YES for this bond is essential. Think of the empty-nesters, retirees, and folks in your professional circles—they care about our community's future and can make a difference!

Share Directories: Does your sports team, club, neighborhood group, or activity circle have an email directory? Share it with us, and we'll help spread the word about the campaign. Every name counts in building our team!

Canvassing: Let's hit the streets! Join us this fall for fun, friendly canvassing. Gather your friends, family, or coworkers, and recruit a team of five to knock on doors and chat with neighbors. It's a perfect way to get fresh air, meet new people, and make a difference together.
